Manchester M22 5GE

4th November 1997

Dear [redacted]

Welcome to the Cable & Wireless Internet service.

Cable & Wireless Internet provides a fast and reliable means of accessing the Internet. With Netscape browser software, up to five personalised e-mail addresses, and access to the World Wide Web at local type call rates, you are well-positioned to take advantage of the many benefits of the Internet.

You will find enclosed everything you need to get connected, including information about Cable & Wireless Internet, an installation guide and software to get you on to the service, and tips to help you make the most of the Internet.

What does it cost ?

Your monthly access fee is £10 plus a single registration charge of £10 only. (these costs do not include telephone online charges)

These fees will be charged to your Visa or MasterCard.

Getting Started

Set up is quick and easy. Simply follow the step-by-step instructions in the Installation Guide to load the software onto your PC. You will need to input the following details when prompted during the installation process:

Internet Enquiry Reference: E2861805

Registration Code : RWWAGE1

Payment Details : Input your Visa or MasterCard details

If you have any general queries, please FreeCall 0500 200 980. For technical assistance, please call Cable & Wireless Internet Support on 0541 541 500 (calls charged at national rates) or e-mail us at "support@mcmail.com". We are available 24 hours a day to take your call.

We hope you enjoy using the Cable & Wireless Internet service.

Yours sincerely

Janet Somerville
Customer Director, Consumer
