## **ARRIVAL CAMPSITE**

### **REGISTRATION FORMS**

The forms represent your official registration for Belgium, and you are required to complete them by law, and return them to reception by 8 pm. on your day of arrival.

Families with children all under age of 15, may be included on one form. All the persons over the age of 15 years, other than husband and wife, sharing the same passport, require a separate form.

### **THE CLUBROOM / BAR**

The premises have a licence as a private club, available to residents only, and guests are respectfully requested to sign and have available the yellow card, which is attached.

By Belgian law no person may bring in their own alcohol and should there be a police-control, the guilty person will be liable to a fine of approximately £30—the reason for this : in Belgium taxes have to be paid on alcohol.

### **DEPARTURE**

Campsitelpitch must be vacated by 12 noon.

### **ELECTRICITY**

Metered Mains electricity (220-240 V) is available on request. Charge payable before departure at reception being 10 Bfr. per unit.

## **ARRIVAL CHALETSITE OR HIRED TENTS**

### **INVENTORY**

Would you kindly check the items contained in your chalet or tent on arrival. On agreement, the inventory should be signed and returned to the main reception, any discrepancies reported.

Re-inbursement to the company for any breakages or losses during your stay will be required.

### **DEPARTURE**

It would be greatly appreciated if all guests would advise the reception the approximate time of their departure the day previous. Payment at that time of any breakages would certainly **save time**. Under normal circumstances arrangements will be made for inventory check-outs.

Your co-operation in early check-outs would be a great help to us but we must also mention that the latest time is 10.30 am.

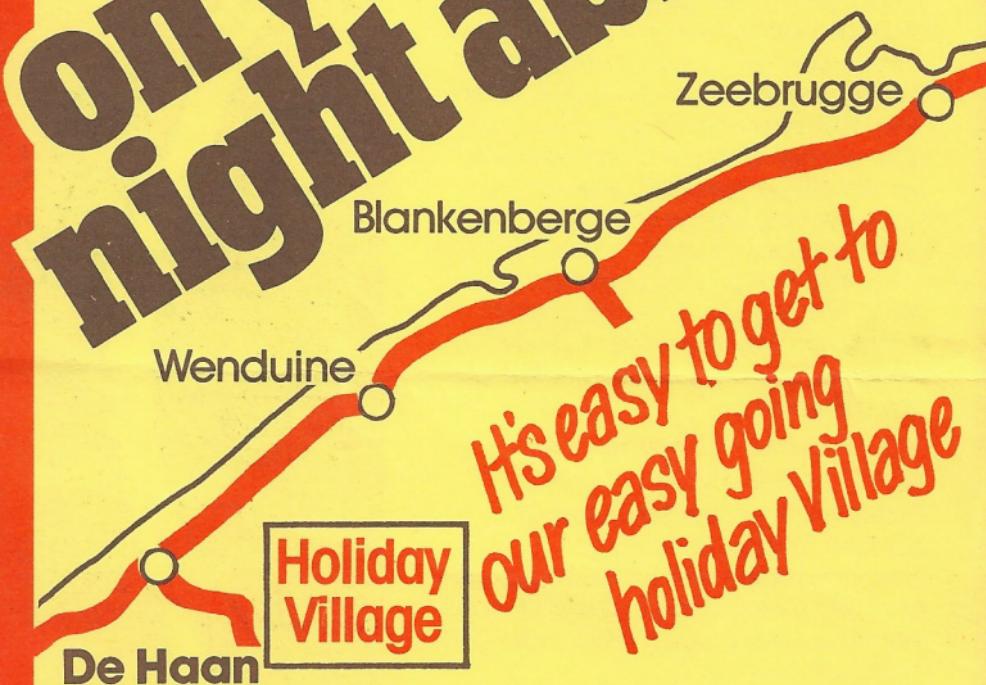

### **FACILITIES**

An ironing-board, iron and hair-dryer can be hired from the reception during opening hours.

### **TO THE CLIENTS WHO BOOKED A CHALET**

Please bring back your car on the main car park in front of the reception. By Belgian law it is not allowed to park on the road near the chalets. Should there be a police check, you could be liable to a fine of 500 Bfr.

# Everything's laid on at the **De Haan Holiday Village**

You'll find all the comforts of home - and more - at De Haan. Well-equipped chalets - a restaurant open from 1800 to 2200 where you can get a good meal at a reasonable price.

If you want to cater for yourself, you'll find the well-stocked supermarket open from 0800 every morning. And the bar's open till midnight so you can celebrate the start of your holiday. There's even a baby-listening service so you can really relax and enjoy yourself.

The Village has a first class Caravan and Camping Site - one of the best in Europe - and it's near miles of sandy beaches. You may well be tempted to stay a little longer!

## **Make yourself at home in the comfortable chalets**

There's a well-equipped kitchen, a pleasant lounge, sleeping accommodation with blankets and linen provided. Come and go as you please - there's no need to vacate the chalet until 10.30 next morning.

Prices are around 600 B.F. per person for four people sharing a chalet in the high season (July 24th - September 5th) and the rates are reduced considerably at other times.

Slop over on your way back too and you'll be sure not to miss the boat.

**De Haan Holiday Village - it's a happy place to start a holiday and a great place to come home to.**
